Hello Kent and Rena,

Thank you for a great meeting last week. I put together the attached summary of the points that we covered at our last meeting. I have submitted these concerns to the CLA's office to make sure they are included in the upcoming report.

Since our last meeting, I have also shared your concerns with the street vending advocates. CD14 expressed the importance of addressing your concerns in any policy that the city considers.

I think the advocates share your concerns but for some reason that message has not been conveyed successfully. I would like to set up a meeting between your BID, CD14, and the Rudy Espinoza (and his team) of LURN. The goal of the meeting is to ensure that consensus is reached in areas where there is common ground. For instance, your BID, CD14 and Rudy all agree that enforcement is key in any policy recommended by the CLA. I'd like to flesh out those other points where we all agree.

I am proposing the following days and times. Please let me know if any of them work on your end:

10/1: 10-2 p.m.
10/2: 3:30 - 5:00 p.m.
10/6: 9:30 - 10:30 or 1- 4p.m.
10/8: 10-3 p.m.
10/9: 11-2 p.m.

Please let me know when you have an opportunity.
